Dear Fellow Stockholder:

It is my pleasure to invite you to the Unisys 2002 Annual Meeting of Stockholders. This year's meeting will be held on Thursday, April 25, 2002, at The Inn at Penn, which is located at 3600 Sansom Street in Philadelphia, Pennsylvania. The meeting will begin at 9:30 a.m.

A severe downturn in technology spending made 2001 a very difficult year for industry providers, and Unisys was not immune. However, despite reduced sales of high-end servers and systems integration services, the company achieved profits from operations every quarter in 2001 and generated more than \$200 million of operational cash flow. Our ability to deliver profits during this unprecedented period of volatility speaks to the progress we've made in refocusing our business portfolio toward value-added services and solutions that are less subject to the volatility of product cycles. We believe this work positions us well for a much better year in 2002.

Whether you plan to attend the annual meeting or not, I urge you to take a moment to vote on the items in this year's proxy statement. Most stockholders have a choice of voting their shares over the Internet, by telephone, or by completing, signing, and returning a proxy card. Voting by any of these means takes only a few minutes, and it will ensure that your shares are represented at the meeting. If you vote over the Internet, you will also be given the opportunity to access future proxy statements and annual reports over the Internet instead of receiving paper copies in the mail. Electronic access saves the company the cost of producing and mailing these documents. I encourage you to take advantage of it.

I look forward to seeing you at the annual meeting and to reporting on the actions we took in 2001 and our goals for 2002.

Sincerely,

/s/ Larry A. Weinbach
Lawrence A. Weinbach
Chairman, President and
Chief Executive Officer

UNISYS CORPORATION
PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
APRIL 25, 2002

The Board of Directors of Unisys Corporation solicits your proxy for use at the 2002 Annual Meeting of Stockholders to be held on April 25, 2002 and at any adjournments. At the annual meeting, stockholders will be asked to elect directors and to ratify the selection of independent auditors.

The record date for the annual meeting is February 28, 2002. Only holders of record of Unisys common stock as of the close of business on the record date are entitled to vote at the meeting. On the record date, 321,671,609 shares of common stock were outstanding. The presence, in person or by proxy, of a majority of those shares will constitute a quorum at the meeting.

This proxy statement, the proxy/voting instruction card, and the annual report of Unisys, including the financial statements for 2001, are being mailed and made available on the Internet on or about March 16, 2002.

REQUIRED VOTE

Each share of Unisys common stock outstanding on the record date is entitled to one vote on each matter to be voted upon. Directors will be elected by a plurality of the votes cast (i.e., the nominees receiving the greatest number of votes will be elected). Abstentions and broker non-votes are not counted for purposes of the election of directors. Ratification of the selection of independent auditors will require the affirmative vote of a majority of shares present, in person or by proxy, and entitled to vote. Abstentions will be included in the vote totals for this matter, and therefore will have the same effect as a negative vote; broker non-votes will not be included in the vote totals and therefore will have no effect on the vote.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

Your vote is important. Shares may be voted at the annual meeting only if you are present in person or represented by proxy. Most stockholders have a choice of voting (a) by completing a proxy/voting instruction card and mailing it in the postage-paid envelope provided, (b) over the Internet, or (c) by telephone using a toll-free telephone number. Check the materials you have received to see which options are available to you and to obtain the applicable web site or telephone number. If you elected to receive proxy materials over the Internet, you should have already received e-mail instructions on how to vote electronically. Please be aware that if you vote over the Internet, you may incur costs associated with your electronic access, such as usage charges from Internet access providers and telephone companies, for which you will be responsible.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities by use of a control number, to allow stockholders to give their voting instructions, and to confirm that stockholders' instructions have been recorded properly. The Company has been advised by counsel that the telephone and Internet voting procedures are consistent with the requirements of applicable law.

You may revoke your proxy at any time before it is exercised by writing to the Secretary of Unisys, by timely delivery of a properly executed later-dated proxy (including an Internet or telephone vote), or by voting in person at the meeting.

The method by which you vote will in no way limit your right to vote at the meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker, or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

If you properly complete and return your proxy, and do not revoke it, the proxy holders will vote your shares in accordance with your instructions. If your properly completed proxy gives no instructions, the proxy holders will vote your shares FOR the election of directors, FOR the selection of independent auditors, and in their discretion on any other matters that properly come before the annual meeting.

If you are a participant in the Unisys Savings Plan, the proxy/voting instruction card will serve as voting instructions to the plan trustee for any whole shares of Unisys common stock credited to your account as of February 28, 2002. The trustee will vote those shares in accordance with your instructions if it receives your completed proxy by April 19, 2002. If the proxy is not timely received, or if you give no instructions on a matter to be voted upon, the trustee will vote the shares credited to your account in the same proportion as it votes those shares for which it received proper instructions from other participants.

ELECTION OF DIRECTORS

The Board of Directors currently consists of ten members, divided into three classes. One class of directors is elected each year to hold office for a three-year term. The four directors whose terms expire in 2002, J. P. Bolduc, James J. Duderstadt, Denise K. Fletcher, and Kenneth A. Macke, have been nominated for reelection. The remaining six directors will continue to serve as set forth below. Each of the nominees has agreed to serve as a director if elected, and Unisys believes that each nominee will be available to serve. However, the proxy holders have discretionary authority to cast votes for the election of a substitute should any nominee not be available to serve as a director.

COMMITTEES

The Board of Directors has a standing Audit Committee, Corporate Governance and Compensation Committee, Finance Committee, and Nominating Committee.

The Audit Committee assists the Board in its oversight of the integrity of the Company's financial statements and its financial reporting and disclosure practices, the soundness of its systems of internal financial and accounting controls, the independence and performance of its internal and independent auditors, and the soundness of its ethical and environmental compliance programs. AUDIT COMMITTEE REPORT

The Audit Committee's specific functions and responsibilities are set forth in the Audit Committee Charter, which is attached as Appendix A to this Proxy Statement. The Committee consists entirely of directors who meet the independence and experience requirements of the New York Stock Exchange.

In performing its oversight responsibilities, the Committee reviewed and discussed the audited financial statements with management. The Committee also discussed with Ernst & Young LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Committee has discussed with Ernst & Young LLP their independence and has received from them the written disclosures required by the Independence Standards Board. The Committee has also considered the compatibility of the services discussed in All Other Fees below with the auditors' independence.

Based on these reviews and discussions, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the SEC.

Ernst & Young LLP have billed the Company the following fees for professional services rendered in respect of the year ended December 31, 2001:

Audit Fees. \$1.9 million for the annual audit of the Company's financial statements.

Financial Information Systems Design and Implementation Fees. None.

All Other Fees. \$4.3 million, consisting of audit-related services of \$2.3 million and non-audit services of \$2.0 million. CORPORATE GOVERNANCE GUIDELINES

The Board of Directors has adopted Guidelines on Significant Corporate Governance Issues. Among other matters, these guidelines cover the following:

1. A majority of the Board of Directors should be independent directors. Interlocking directorships should be avoided, and directors should not, except in rare circumstances approved by the Board, draw any consulting, legal, or other fees from the Company. The independence of outside directors is reviewed annually by the Corporate Governance and Compensation Committee.
2. Membership on the Audit, Corporate Governance and Compensation, and Nominating Committees is limited to outside directors.
3. Directors may not stand for election after age 70 or continue to serve beyond the annual stockholders' meeting following the attainment of age 70.
4. Directors should volunteer to resign from the Board upon a change in position, including retirement, from the position they held when they were elected to the Board. The Board will then make a determination whether continued Board membership is appropriate under the circumstances. In addition, if the Company's chief executive officer resigns from that position, he is expected to offer his resignation from the Board at the same time.
5. The Nominating Committee is responsible for determining the appropriate skills and characteristics required of Board members and will consider issues of diversity, age, and skills in its assessment of the needs of the Board. The Corporate Governance and Compensation Committee maintains an orientation program for new directors.
6. The Corporate Governance and Compensation Committee is responsible for giving annually an assessment of the Board's performance and of its contribution as a whole.
7. The outside directors have the opportunity to meet in executive session, without the chief executive officer and other members of management, at any time. Either the outside director serving as the chairman of the Corporate Governance and Compensation Committee or the outside director serving as the chairman of the Finance Committee shall assume the responsibility of chairing such meetings.
8. The outside directors meet annually in executive session to review the performance of the chief executive officer. The evaluation is led by the chairman of the Corporate Governance and Compensation Committee and is based on objective criteria, including performance of the business, accomplishment of long-term strategic objectives, and development of management. The evaluation is used by the Corporate Governance and Compensation Committee in its consideration of the compensation of the chief executive officer.
9. The chief executive officer is expected to provide an annual report on succession planning to the Corporate Governance and Compensation Committee.
10. Board members have complete access to Unisys management. Members of senior management who are not Board members regularly attend Board meetings, and the Board encourages senior management, from time to time, to bring into Board meetings other managers who can provide additional insights into the matters under discussion.

STOCK OWNERSHIP GUIDELINES

In 1998, the Board established stock ownership guidelines for both directors and elected officers in order to more closely link their interests with those of stockholders. Under the guidelines, directors and elected officers are expected to own, within specified time periods, Unisys stock or stock units having a value equal to a multiple of their annual retainer, in the case of directors, or their base salary, in the case of elected officers. Stock options, including vested stock options, do not count toward fulfillment of the ownership guidelines.

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has selected the firm of Ernst & Young LLP as independent auditors to audit the Company's books and accounts for the year ending December 31, 2002 and recommends ratification of this selection by the stockholders. Ernst & Young LLP has served as independent auditors for Unisys since 1986. Its representatives will be present at the annual meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions asked by stockholders.

The Board of Directors considers Ernst & Young LLP to be well qualified to serve as the independent auditors for Unisys. If, however, stockholders do not ratify the selection of Ernst & Young LLP, the Board will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE SELECTION OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR 2002. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS OTHERWISE SPECIFY IN THEIR PROXIES.

PENSION PLANS

The table below shows the aggregate annual amounts at age 62 that would be received from the Unisys Pension Plan (the "Pension Plan"), the Supplemental Executive Retirement Plan (the "Supplemental Plan"), and the Elected Officer Pension Plan (the "Officer Plan").

The Pension Plan and Supplemental Plan generally are available to all employees located in the United States. The Officer Plan is available to officers, including the Named Officers, who satisfy certain minimum service requirements. The aggregate pension amount payable under the Officer Plan is offset by benefits paid under the Pension Plan, the Supplemental Plan, and any applicable subsidiary plan. The amounts shown in the table are computed on a single life annuity basis and are subject to a reduction equal to 50% of the participant's primary social security benefit.

Final Average Compensation generally corresponds to the amounts shown in the Summary Compensation Table under the headings Salary and Bonus. However, Final Average Compensation is calculated using the individual's highest 60 consecutive months of compensation out of the final 120 months of employment and thus will differ somewhat from the amounts shown in the Summary Compensation Table. Final Average Compensation for the Named Officers as of March 1, 2002 is as follows: J. A. Blaine -- \$563,452; G. R. Gazerwitz -- \$680,010; J. W. McGrath -- \$585,503; J. B. Wallace -- \$420,000. Full years of credited service under the pension plans for the Named Officers as of March 1, 2002 are as follows: J. A. Blaine -- 21 years; G. R. Gazerwitz -- 20 years; J. W. McGrath -- three years; J. B. Wallace -- two years.

Jack A. Blaine has elected to retire from the Company by September 1, 2002 under the terms of an early retirement incentive program made available to eligible employees in the United States. Under the early retirement program, retiring employees are credited with an additional three years of service and age for purposes of calculating their pension benefit. Full years of credited service cited above for Mr. Blaine reflect this. Unisys will continue to pay Mr. Blaine his salary through August 31, 2002.

Pursuant to the employment agreement described below, Lawrence A. Weinbach is vested in an annual pension benefit as follows: 0-3 years of service -- \$350,000; 4 years -- \$570,000; 5 years -- \$710,000; 6 years -- \$860,000; 7 or more years -- \$1,000,000.

EMPLOYMENT AGREEMENTS

On September 23, 1997, the Company entered into a five-year employment agreement with Lawrence A. Weinbach, covering the terms and conditions of Mr. Weinbach's employment as Chairman of the Board, President and Chief Executive Officer. The agreement provides for a minimum base salary of \$1,200,000 per year, subject to annual review by the Corporate Governance and Compensation Committee, and eligibility for an annual bonus award at a target bonus level of not less than 100% of base salary. The actual bonus payable, if any, is to be determined by the Corporate Governance and Compensation Committee in its sole discretion.

Mr. Weinbach is eligible to participate in the benefit programs generally made available to executive officers, is entitled to the pension benefits discussed above, and is eligible to receive stock option and other long-term incentive awards under the Company's long-term incentive plan. If Mr. Weinbach's employment is terminated under certain circumstances, the agreement provides for him to receive continued payment of his base salary for the remainder of the term (but in no event less than one year's base salary) and, for the one-year period following the date of termination, a bonus in an amount equal to his target bonus percentage times the base salary paid during such period. He will also be entitled to continued medical and dental coverage through the remaining term of the agreement, full vesting in outstanding awards under the long-term incentive plan, and one additional year of service for pension purposes. Salary continuation amounts paid to Mr. Weinbach after two years from the date of employment termination will be reduced by the amount of any cash compensation he receives for services rendered to any entity other than Unisys. Mr. Weinbach is also party to a change in control agreement with the Company, as described below. He is not entitled to receive duplicate payments under the change in control agreement and his employment agreement.

CHANGE IN CONTROL EMPLOYMENT AGREEMENTS

The Company has entered into change in control employment agreements with its executive officers including the Named Officers. The agreements are intended to retain the services of these executives and provide for continuity of management in the event of any actual or threatened change in control. A change in control is generally defined as (i) the acquisition of 20% or more of Unisys common stock, (ii) a change in the majority of the Board of Directors unless approved by the incumbent directors (other than as a result of a contested election), and (iii) certain reorganizations, mergers, consolidations, liquidations or dissolutions. Each agreement has a term ending on the third anniversary of the date of the change in control. These agreements, which are the same in substance for each executive, provide that in the event of a change in control each executive will have specific rights and receive certain benefits. Those benefits include the right to continue in the Company's employ during the term, performing comparable duties to those being performed immediately prior to the change in control and at compensation and benefit levels that are at least equal to the compensation and benefit levels in effect immediately prior to the change in control. Upon a termination of employment under certain circumstances following a change in control, the terminated executive will be entitled to receive special termination benefits, including a lump sum payment equal to three years base salary and bonus and the actuarial value of the pension benefit the executive would have accrued had the executive remained employed for three years following the termination date. The special termination benefits are payable if the Company terminates the executive without cause, the executive terminates employment for certain enumerated reasons (including a reduction in the executive's compensation or responsibilities or a change in the executive's job location), or the executive voluntarily terminates employment for any reason during the 30-day period following the first anniversary of the date of the change in control. If any payment or distribution by the Company to the executive is determined to be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, the executive is entitled to receive a payment on an after-tax basis equal to the excise tax imposed. The executive is under no obligation to mitigate amounts payable under these agreements, and to the extent the executive has a separate employment agreement with the Company with conflicting rights, the executive is allowed the greater entitlement.

TRANSACTIONS WITH MANAGEMENT

During 2001, the law firm Pepper Hamilton LLP provided legal services to Unisys for fees of approximately \$877,000. The husband of Nancy Straus Sundheim is a partner in that firm. Ms. Sundheim is Senior Vice President, General Counsel and Secretary of Unisys.

COMPENSATION OF DIRECTORS

The Company's non-employee directors receive an annual retainer (\$35,000 in 2001; \$50,000 for 2002), an annual attendance fee of \$10,000 for regularly scheduled Board and committee meetings, and a meeting fee of \$1,000 for attendance at each Board and committee meeting other than a regularly scheduled meeting. Chairmen of committees other than the nominating committee also receive an annual \$5,000 retainer. During 2001, each non-employee director also received an option to purchase 10,000 shares of Unisys common stock. Stock options vest in four equal annual installments beginning one year after the date of grant. The annual retainers and annual attendance fee are paid in monthly installments, with 50% of each installment paid in cash and 50% in the form of common stock equivalent units. The value of each stock unit at any point in time is equal to the value of one share of Unisys common stock. Stock units are recorded in a memorandum account maintained for each director. A director's stock unit account is payable in Unisys common stock, either upon termination of service or on any date at least five years (two years for stock units awarded after January 1, 2001) after the stock units are awarded, at the director's option. Directors do not have the right to vote with respect to any stock units. Directors also have the opportunity to defer until termination of service, or until any date at least two years after the deferral, all or a portion of their cash fees. Any deferred cash amounts, and earnings or losses thereon, are recorded in a memorandum account maintained for each director. The right to receive future payments of deferred cash accounts is an unsecured claim against the Company's general assets. Directors who are employees of the Company do not receive any cash, stock units, or stock options for their services as directors.

REPORT OF THE CORPORATE GOVERNANCE AND COMPENSATION COMMITTEE

COMPENSATION PROGRAM AND POLICIES

The Corporate Governance and Compensation Committee oversees the Company's executive compensation program. In this capacity, the Committee reviews compensation levels of elected officers, evaluates performance, considers management succession and related matters, and administers the Company's incentive plans, including the Executive Variable Compensation Plan (the "EVC Plan") and the 1990 Unisys Long-Term Incentive Plan (the "LTIP").

The Company's executive compensation program is designed to attract and retain executives responsible for the Company's long-term success, to reward executives for achieving both financial and strategic company goals, to align executive and stockholder interests through long-term, equity-based plans, and to provide a compensation package that recognizes individual contributions as well as overall business results. As a result, a substantial portion of each executive's total compensation is intended to be variable and to be tied closely to the achievement of specific business objectives and corporate financial goals, as well as the attainment of the executive's individual performance objectives. The Company's executive compensation program also takes into account the compensation practices of companies with

whom Unisys competes for executive talent. These companies (the "peer companies") include the principal companies included in the peer group indices in the Performance Graph on page 17 of this proxy statement and additional companies in various industries.

The three key components of the Company's executive compensation program are base salary, variable incentive compensation, and long-term incentive awards in the form of stock options. Overall compensation is intended to be competitive for comparable positions at the peer companies.

BASE SALARY

Each executive's base salary is initially determined with reference to competitive pay practices and is dependent upon the executive's level of responsibility and experience. The Committee uses its discretion, rather than a formal weighting system, to evaluate these factors and to determine individual base salary levels. Thereafter, base salaries are reviewed periodically, and increases are made based on the Committee's subjective assessment of individual performance, as well as the factors discussed above.

VARIABLE INCENTIVE COMPENSATION

For 2001, all of the Company's executive officers participated in the EVC Plan. This plan's stated purpose is to motivate and reward elected officers and other key executives for the attainment of corporate and/or individual performance goals. Under the plan, the Committee has the discretion to determine the conditions (including performance objectives) applicable to annual award payments and the amounts of such awards. For 2001, the EVC Plan operated as follows.

Executives were assigned target award amounts for the year, which were typically stated as a percentage of base salary (ranging, in the case of elected officers other than the chief executive officer, from 45% to 60%). Performance goals were also established based upon the financial performance of Unisys (generally, achievement of pre-established objectives for revenue, earnings per share, cash flow, and orders). Actual award amounts could range from zero to 150% of target, depending upon the attainment of financial goals and the Committee's assessment of the individual's performance. For 2001, because the Company did not meet the financial objectives established for the year, the Committee made no EVC awards to executive officers.

LONG-TERM INCENTIVE AWARDS

Under the LTIP, stock options may be granted to the Company's executive officers and other key employees. The size of stock option awards is based primarily on individual performance, level of responsibilities with Unisys, and the competitive marketplace. The Committee does not determine the size of such awards by reference to the amount or value of stock options currently held by an executive officer.

Stock options are designed to align the interests of executives with those of stockholders. Stock options are granted with an exercise price equal to the average market price of Unisys common stock on the date of grant, and current grants vest over four years. This approach is designed to encourage the creation of stockholder value over the long term since no benefit is realized unless the price of the common stock rises over a number of years.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Lawrence A. Weinbach became the Company's Chairman, President and Chief Executive Officer on September 23, 1997. In connection with his employment, the Company entered into the employment agreement described at page 12. Under the employment agreement, Mr. Weinbach is entitled to a base salary at the rate of \$1,200,000 per year, subject to annual review by the Committee. He is also eligible for an annual bonus at a target of 100% of base salary, with the actual amount of bonus paid to be determined by the Committee in its sole discretion, based upon such factors as the Committee deems appropriate. In March 1999, the Committee increased Mr. Weinbach's base salary to its current level of \$1,320,000 per year. In 2001, Mr. Weinbach was granted the stock options described on page 11. He did not receive a bonus for the year.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

Section 162(m) of the Internal Revenue Code imposes a \$1 million annual limit on the amount of compensation that may be deducted by the Company with respect to each Named Officer employed as of the last day of the applicable year. The limitation does not apply to compensation based on the attainment of objective performance goals. The Committee has considered the impact of the deduction limitation and has determined that it is not in the best interests of the Company or its stockholders to base compensation solely on objective performance criteria. Rather, the Committee believes that it should retain the flexibility to base compensation on its subjective evaluation of performance as well as on the attainment of objective goals.

GENERAL MATTERS

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company's directors and officers are required to file reports with the SEC relating to their ownership of Unisys equity securities. For 2001, Melvin A. Goodes had one late report covering one transaction.

POLICY ON CONFIDENTIAL VOTING

It is the Company's policy that all stockholder proxies, ballots, and voting materials that identify the vote of a specific stockholder shall, if requested by that stockholder on such proxy, ballot, or materials, be kept permanently confidential and shall not be disclosed to the Company, its affiliates, directors, officers, and employees or to any third parties, except as may be required by law, to pursue or defend legal proceedings, or to carry out the purpose of, or as permitted by, the policy. Under the policy, vote tabulators and inspectors of election are to be independent parties who are unaffiliated with and are not employees of the Company. The policy provides that it may, under certain circumstances, be suspended in the event of a proxy solicitation in opposition to a solicitation of management. The Company may at any time be informed whether or not a particular stockholder has voted. Comments written on proxies or ballots, together with the name and address of the commenting stockholder, will also be made available to the Company.

STOCKHOLDER PROPOSALS AND NOMINATIONS

Stockholder proposals submitted to the Company for inclusion in the proxy materials for the 2003 annual meeting of stockholders must be received by the Company by November 16, 2002.

Any stockholder who intends to present a proposal at the 2003 annual meeting and has not sought to include the proposal in the Company's proxy materials must deliver notice of the proposal to the Company no later than January 25, 2003.

Any stockholder who intends to make a nomination for the Board of Directors at the 2003 annual meeting must deliver a notice to the Company no later than January 24, 2003 setting forth (i) the name, age, business and residence addresses of each nominee, (ii) the principal occupation or employment of each nominee, (iii) the number of shares of Unisys capital stock beneficially owned by each nominee, (iv) a statement that the nominee is willing to be nominated, and (v) any other information concerning each nominee that would be required by the SEC in a proxy statement soliciting proxies for the election of the nominee.

ELECTRONIC ACCESS TO PROXY MATERIALS AND ANNUAL REPORT

This proxy statement and the 2001 annual report are available on the Company's Internet site at WWW.UNISYS.COM/INVESTOR/PROXY2002 and WWW.UNISYS.COM/ANNUAL/ANNUAL2001. Most stockholders can elect to view future proxy statements and annual reports over the Internet instead of receiving paper copies in the mail and thus can save the Company the cost of producing and mailing these documents. If you vote your shares over the Internet this year, you will be given the opportunity to choose electronic access at the time you vote. You can also choose electronic access by following the instructions that you will receive in connection with next year's annual meeting. Most stockholders who choose electronic access will receive an e-mail next year

containing the Internet address to access the proxy statement and annual report. Your choice will remain in effect until you cancel it. You do not have to elect Internet access each year.

HOUSEHOLDING OF PROXY STATEMENT AND ANNUAL REPORT

This year, a number of brokers with accountholders who are owners of Unisys common stock will be "householding" our proxy materials. This means that only one copy of this proxy statement and the 2001 annual report may have been sent to you and the other Unisys stockholders who share your address. Householding is designed to reduce the volume of duplicate information that stockholders receive and the Company's printing and mailing expenses.

If your household has received only one copy of our proxy statement and annual report, and you would prefer to receive separate copies of these documents, either now or in the future, please call us at 215-986-5777, or write us at Investor Relations, A2-15, Unisys Corporation, Unisys Way, Blue Bell, PA 19424-0001. We will deliver separate copies promptly. If you are now receiving multiple copies of our proxy materials and would like to have only one copy of these documents delivered to your household in the future, please contact us in the same manner.

OTHER MATTERS

At the date of this proxy statement, the Board of Directors knows of no matter that will be presented for consideration at the annual meeting other than those described in this proxy statement. If any other matter properly comes before the annual meeting, the persons appointed as proxies will vote thereon in their discretion.

The Company will bear the cost of soliciting proxies. Such cost will include charges by brokers and other custodians, nominees, and fiduciaries for forwarding proxies and proxy material to the beneficial owners of Unisys common stock. Solicitation may also be made personally, or by telephone or telegraph, by the Company's directors, officers, and regular employees without additional compensation. In addition, the Company has retained Innisfree M&A Incorporated to assist in the solicitation of proxies for a fee of approximately \$15,000, plus expenses.
