News Release

Unisys Announces Pricing of \$440 Million Private Offering of Senior Secured Notes

BLUE BELL, Pa., April 7, 2017 - Unisys Corporation (NYSE: UIS) (“Unisys”) announced today the pricing of \$440 million aggregate principal amount of Senior Secured Notes due 2022 (the “notes”) through a private offering to qualified institutional buyers pursuant to Rule 144A and to certain persons outside of the United States pursuant to Regulation S, each under the Securities Act of 1933, as amended (the “Securities Act”). The sale of the notes is expected to close on April 17, 2017, subject to customary closing conditions.

The notes will initially be fully and unconditionally guaranteed on a senior secured basis by each of the material domestic subsidiaries of Unisys, which are Unisys Holding Corporation, Unisys AP Investment Company I and Unisys NPL, Inc., each a Delaware corporation (the “subsidiary guarantors”). In the future, the notes will be guaranteed by each material domestic subsidiary and each restricted subsidiary that guarantees the senior secured revolving credit facility and other indebtedness of Unisys or another subsidiary guarantor. The notes and the guarantees will rank equally in right of payment with all of the existing and future senior debt of Unisys and its subsidiary guarantors and senior in right of payment to any future subordinated debt of Unisys and its subsidiary guarantors. The notes and the guarantees will be structurally subordinated to all existing and future liabilities (including preferred stock, trade payables and pension liabilities) of its subsidiaries that are not subsidiary guarantors.

The notes will be Unisys’ senior secured obligations. The notes will bear interest at a rate of 10.75% per year until maturity, payable semiannually in arrears on April 15 and October 15 of each year, beginning on October 15, 2017.

Unisys intends to use the net proceeds from the offering of the notes: (i) to redeem its outstanding 6.25% Senior Notes due 2017 in full, including accrued and unpaid interest thereon, the required call premium and other fees and expenses related to such repayment and (ii) for general corporate purposes, which may include funding cost reduction and savings initiatives, obligations under its defined benefit plans and investments in next-generation services and technologies.

The notes have not been registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements of the Securities Act or the securities laws of any other jurisdiction.

This press release is neither an offer to sell nor a solicitation of an offer to buy any of these securities nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.
